**Join us** Jan. 23rd as Jeremie Kubicek, founder of GiANT, awakens leaders to the idea of becoming a “liberating leader.” This GiANT Day will equip you with proven, practical leadership tools, insights, and resources that you will be able to use the moment you leave. You will be inspired, challenged to grow, and we will help you become a leader others want to follow.

### Apprenticeship Methodology

Discover GiANT's revolutionary model for leader development that utilizes apprenticeship to develop, grow and maintain leaders inside your organization.

### Know Yourself to Lead Yourself

When you lead yourself well, others are willing to follow.

### Improving Your Connectivity

Learn why and how you disconnect with others and receive powerful tools to help you connect like never before.

### Understanding Your Voice

Not everyone speaks the same voice or processes the way you do. Discover your natural voice and the voices of those around you to connect and lead more effectively.

### Gaining Tools & Resources

Obtain tools and resources that help you lead yourself, help others and impact your organization.

### CORE Group Experience

Experience this hands-on learning opportunity using GiANT's CORE Group methodology.

**PRICING: \$500 FOR 1+1 AND \$250 FOR ANY ADDITIONAL FROM THE SAME COMPANY**
